

# LANCASTER COUNTRY DAY SCHOOL

To whom it may concern,

My name is Ty Book, and I am the Facilities Director at Lancaster Country Day School in Lancaster, Pennsylvania. We are a small pre-school through 12th-grade independent school that sits on twenty-seven acres with a 276,000 square foot physical plant. Over the last couple of years, we have had multiple catastrophic emergencies in our building that lead to flooding and subsequent water damage. Mammoth Restoration has been there for us in those times of need. They are quick to respond and easy to work with on scheduling. We rely on Mammoth for all our restorations and emergency calls. Our representative, Mike Oster, is the pillar of what you want for your building's peace of mind.

Sincerely  
Ty Book
